VOLUME 2
WOOSTER HIGH SCHOOL
WOOSTER, OHIO

The Guidance Department

The purpose of the Guidance Department of Wooster High School is to help each student to become as nearly as possible a mature, responsible individual who, upon graduation, is well prepared to make his own way in the world. Under the direction of Mr. Clyde Bartlett, Director of the Guidance Department, the counselors, Mrs. Edith Joss and Mr. Ray Harper plan courses and schedules, help students choose a college or vocation, deal with social adjustment problems, and generally help with student-faculty relations.

Annually the Guidance Department administers numerous tests, the results of which enable the counselors to assist in the choosing of vocations, decisons about higher education, and many other areas. The data collected by the department is placed in an accumulative folder on each student for the use of the faculty and counselors.

During the past year, the first of many planned follow-up studies of Wooster High School graduates was conducted by the Guidance Department. Under the auspices of the National Defense Education Act the counselors sent questionnaires to the graduates of 1955, 1957, and 1959. By utilizing the information received from these graduates the counselors hope to be able to determine what will help the students of the future to become better men and women.

The Wonderful World of Wooster

The high school world is a rewarding, exciting world of four pleasant, promising years. These years are full of numerous opportunities, stimulating experiences, and carefree fun; diligent study, invigorating sports, and wonderful friendships; of hours — some distracted, many happy; of days — full of laughs and tears; of months — successful, a few, not quite as successful. This joyous world is the one which the annual staff wanted to portray for you, the students and teachers, who help to make up the high school world.

THE WONDERFUL WORLD IS:

IT'S A WORLD OF:

Tedious study, rewarding
for all,
Shouts of laughter throughout
the halls.

IT'S A WORLD OF:

Vigorous sport, song
and dance
Boys and girls and
gay romance.

IT'S A WORLD OF:

Many surprises, joys
and fears,
Growth in wisdom during
the years.

IT'S A WORLD OF:

Friendship and promise for
all of us here,
Friends to be cherished for
another great year.

It's a world of laughter in the halls

It's a world of boy and girl — gay romance

It's a world of surprises and fears

Friends to be cherished for another great year

THE CHALLENGING WORLD OF STUDY

Sometimes with hesitation
We climb the steps
That guides us to the World of Study.
But always, there are teachers
And administrators
Whose enthusiasm entices us
To explore
The mysteries of science,
The satisfaction of literature,
And the challenge of mathematics.

The Board of Education

This past year, the members of the Board of Education have had to deal with many problems concerning the expansion and development of the Wooster City School System. Every aspect of the changes must meet with their approval before action can be taken. They must appropriate funds for new projects and see that they are spent wisely.

During the last year, the School Board has supervised the building of the new junior high and Melrose Elementary School, the remodeling of the high school, and the completion of Parkview Elementary School. In addition, the school program has been expanded to include many advanced courses, both in the high school and the grade schools, and an arrangement has been made to include the Boys' Village in the Wooster City School System.

Dr. Howard MacMillan is the current president of the Board and the other members are Rev. John Kindsvatter, Mr. Chester Shamel, Mr. George Groop, Dr. William Schultz, and Mr. Roy Miller. Mr. Glenn Neal has replaced Dr. John Chittum.

Superintendent Rasmussen

During this past year the improvement program of the Wooster City School system has been at the top of the agenda of our superintendent Dr. L. V. Rasmussen. One of the improvements to the existing classrooms is the installment of television sets in the sixth grade as part of an elementary science study conducted by the United States Office of Education. While overseeing the construction of two new schools, a junior high school and an elementary school, Dr. Rasmussen and the school board have hired many new teachers and created numerous changes in the curriculum of the grades immediately preceding high school. Developmental reading and typing are among the subjects soon to be available to the eighth grade.

The citizens of Wooster, the students and faculty of Wooster High School, and especially the Class of 1962 is proud of the fact that Dr. Rasmussen received his Doctorate of Philosophy in Educational Administration in December of 1961. After six years of diligently working toward this goal during the few fletting moments of his busy life when he was not co-ordinating the administrations of the schools, he became in the school year of 1961-1962 the first superintendent of the Wooster City School system to be awarded the Doctor of Philosophy.

Assist. Superintendent Mr. Beechy and Mr. Rasmussen

Principal Sayre

Best wishes,
Roland W. Sayre

The duty of our principal Mr. Roland Sayre is, in his own words, "to keep the teachers stimulated to look for new and better ways to teach and improve their present methods." The teachers look to Mr. Sayre for guidance and for the integration of new ideas into their teaching methods.

This year, however, most of Mr. Sayre's time has been devoted to the many changes in Wooster High School, in both the building and the curriculum. The biggest changes in the building program this past year have been the installations of a new lighting system, a modern language laboratory, several new science rooms, and television sets in the social studies department. The most important curriculum changes have occurred in the science and language departments.

Lots of luck in your life work. I hope your life be filled with Rokbuska

SUCCESS

We have not wings, we cannot soar;
But we have feet to scale and climb
By slow degrees, by more and more,
The cloudy summits of our time.
The mighty pyramids of stone
That wedge-like cleave the desert airs,
When nearer seen, and better known,
Are but gigantic flights of stairs.
The distant mountains, that uprear
Their solid bastions to the skies,
Are crossed by pathways, that appear
As we to higher levels rise.
The heights by great men reached and kept
Were not attained by sudden flight,
But they, while their companions slept,
Were toiling upward in the night.

Alma Mater

Oh, come, let's sing our Wooster's praise
And songs to Alma Mater raise;
And for the school we hold most high,
We'll raise our voices to the sky.
To her, we pledge our hearts and hands,
And loyal to her each one stands;
Preserve her honor, far and near,
Because we love her, Wooster dear.

THE SPARKLING WORLD OF FUN

We find the world of fun
In school and clubs,
Whether at work or play,
In classrooms and halls
We abound with joy
And laughter,
Because we know
That fun is a part of work
And working together is fun.

Student Council

The Student Council is the representative body of the high school. It is the duty of this organization to promote the general welfare of the school, to develop attitudes of practice in good citizenship, and to improve student-teacher relationships.

The Student Council activities of the past year include freshman orientation, the monitor system, the magazine sale, the Christmas, Thanksgiving, and Easter assemblies, and the Sweetheart Dance. Student Council, in conjunction with the Area Student Council, also took charge of the Youth-in-Government program and helped with the Spring Formal.

Inter-Club Council

The Inter-Club Council is composed of the presidents of all the Clubs of Wooster High School, with the vice president of Student Council serving as its president.

The Inter-Club Council strives to co-ordinate the activities of the clubs and to promote better relationships among them.

The Council's projects included the organization of Wooster High's Homecoming, the revision of the Student Shadow, a tea for club advisers, and a leadership training program for newly elected club officers.

Annual Staff

The purpose of the Annual Staff is to completely write and design a book which will tell the story of a school year at Wooster High School.

Under the supervision of Mr. Ladd, the adviser, and Pat Burnsteen, this year's editor, an annual was put out. Staff heads were responsible for various jobs, such as selling advertisements, taking pictures, deciding expenditures, planning page layouts, proof reading, writing copy, and many more small jobs which go into preparing the book for publishing.

Th staff would like to thank everyone who helped to put together the 1962 *IMPERATOR*.

National Honor Society

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senor year.

The beautiful candlelight induction service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

Adviser is Mrs. Sidle. Committee: Mr. Sayre, Miss Nesbitt, Mr. Welsh, Mr. Byrd, and Mr. Dellerba.

General

The *General* has long been Wooster High's means of relaying school news to the student body. Also, the staff made a special effort to turn out a paper that the students could turn to for relaxation.

This year of publication marked a great rejuvenation period for the *General*. The nameplate was completely changed. Page makeup was varied more, and pictures were added to the feature page.

The jobs of managing editor and music editor were added to staff positions. The feature page was revised to add more variety to the paper and new columns were added.

As a whole, the staff of the *General* learned how interesting and how much fun it can be to put out a school paper.

Tri-Hi-Y

The Senior Tri-Hi-Y is a service organization open to all twelfth-grade girls. The primary object of the club is "to create, maintain, and extended throughout the home, school, and community high standards of Christian character." Programs to meet needs of members, and projects to meet needs of others are the club functions which help each member to fulfill their purpose.

This year's Halloween queen, Pat Wagner, reigned over festivities with Wally Dalbey. Among other club activities were a scavenger hunt, a Christmas devotional program, a brotherhood program, and a Mother-Daughter Tea.

Library Club

"If you look in the card catalogue, I am sure you will find what you are looking for." How many times have students in the library received this answer and realized that it is one of their fellow classmates who is showing them how to use the library to their greatest avantage?

Of course, answering questions is not the only responsibility of the student assistant. In our improved and enlarged library, the student assistants check books in and out and card, shelve, and inspect books and magazines.

The social events of the library club members this year included a spring pot luck supper in addition to a teachers' tea and open house held in December.

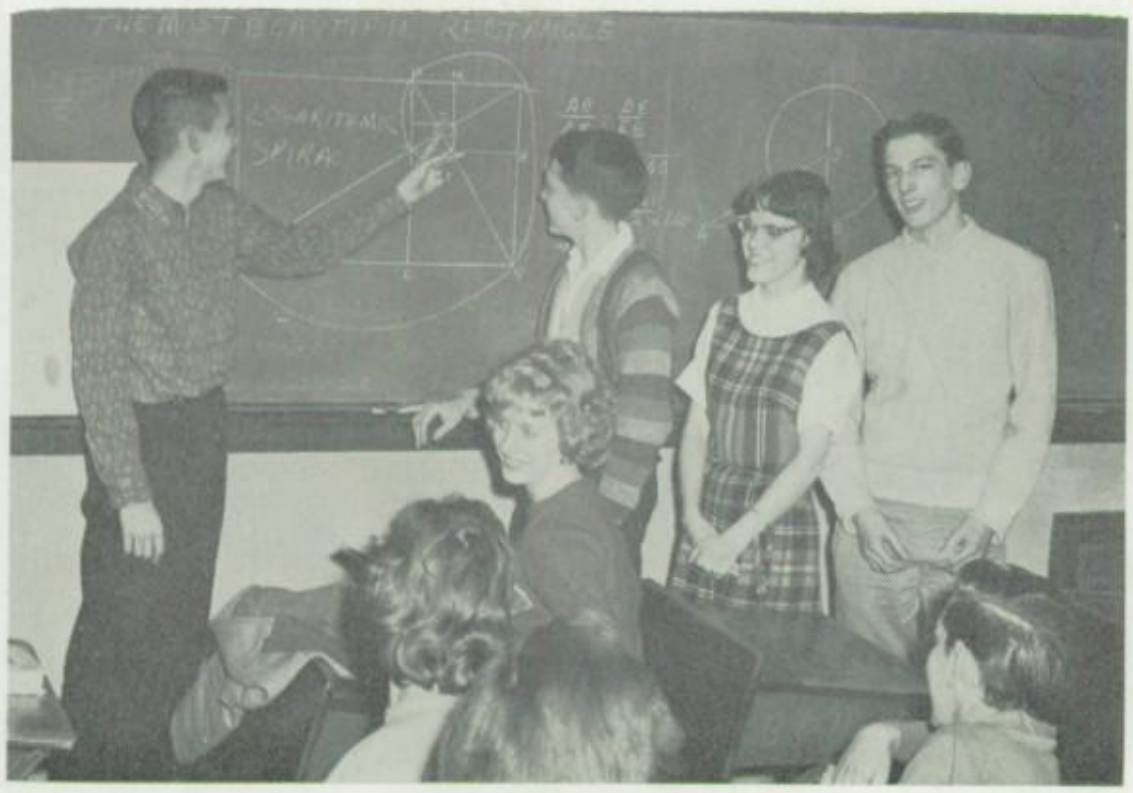
Mu Alpha Theta

The Mu Alpha Theta Society is a national organization for juniors and seniors in high school or Junior College. Students are carefully chosen from the Knights of the Square Root Table Math Club by academic qualifications and recommendations from teachers. All members have shown an exceptional interest in mathematics.



Math Club members enjoy an explanation of a math problem.

The impressive induction ceremony represents the high point of the year's activities for the members of Mu Alpha Theta. At this meeting, several members give reports on their work in mathematics, others relate a history of mathematics, and all receive the pin of the society.

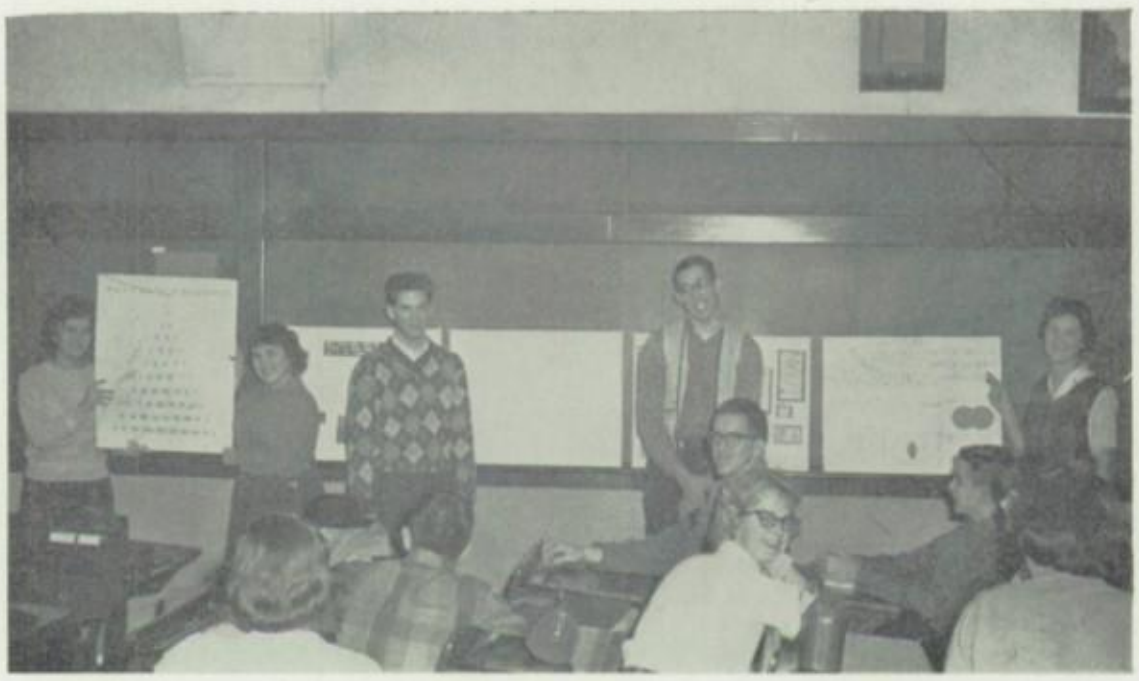
Knights of The Square Root Table Math Club

The mathematics club at Wooster High School is known as the Knights of the Square Root Table Math Club. The club endeavers to stimulate the interest and augment the knowledge in the virtually unlimited field of mathematics and related sciences.

Math Club is open to any student who is taking or has taken algebra. Members of Math Club fulfilling certain qualifications are eligible to become affiliated with Mu Alpha Theta, National Mathematics Club.

During the year, the Math Club did many interesting things. Speakers were invited to several meetings. Films were often shown. On several occasions, the members themselves gave short speeches and presentations, which were of interest to the club. One meeting was devoted to a discussion of possible science fair projects. Math Club sponsored a post-game dance in order to raise money for its many worthwhile projects.



Tricky math problems become fun when the club works together on one.

Future Farmers Of America

The Future Farmers of America is a national organization to aid boys in getting started in farming or to train them for a related occupation.

Each year the Future Farmers are engaged in many activities.One of these is the annual county Parliamentary Procedure contest in which the Wooster Chapter received a gold rating this year. Other activities include the Chapter Pubic Speaking Contest held in January and various judging contests including dairy, sheep and wool, general livestock, and land.

A special project which the F.F.A. boys completed this past summer was a corn demonstration plot which was located north of Wooster.

Along with these activities the chapter also presents a fifteen-minute program over WWST each month.

Future Homemakers of America

The Future Homemakers of America is an organization which encourages girls to enter the field of home economics and teaches them to promote a beter home and community life.

This year the girls worked on different projects such as selling Christmas cards, serving at faculty teas, and banquets, and selling vanilla. The main activity was attending the flower show in Cleveland, Ohio.

In the course of the year the programs included speakers, film strips, teas, and parties.

Future Teache

The Clifton Layton Club of Future Teachers of America is affiliated with the state and national organizations of FTA.

The purpose of FTA is to help students to gain a better understanding of the opportunities in teaching, and to give students opportunities to develop their interests in teaching as a chosen profession.

Throughout the year the club's activities include ushering at PTA open house and other school functions. Grading papers and checking attendance in class give club members actual experience in class room work.

The Elementary Observation and Participation Project is one of the club's outstanding projects, when juniors and seniors of the club observe and teach in the elementary schools for two half days.

Money is raised for the FTA scholarship by selling General book covers.

The 1961-62 program of the club included guest speakers, movies, and panel discussions.

America

A fund raising project of future teachers is the selling of book covers.

Future Nurses of America

The purpose of the Future Nurses Club is to interest the students in the welfare and health of the community and to encourage them to discover all the personal satisfactions which nursing holds in store.

The first meeting was an induction of officers and new members. Special programs for the year included interesting talks given by a doctor, a professional nurse, and a practical nurse. Twelve girls participated in the oral polio vaccine drive in January. Another highlight was the trip to Ohio State University.

Each year for the two years in the past, the club has given a twenty-five dollar scholarship to help finance a member in nursing school.

DECA

DECA is a good example of a way to turn work into fun. This year sixteen students are taking Distributive Education. This involves going to school for half a day and then working the other half at one of the training stations in Wooster. Mr. Calabria, the Distributive Education teacher, teaches them how to apply the fundamentals of salesmanship to their jobs. He also talks with the employers to check the students' progress.

Special events which take place during the year include a Christmas party for the children's home and field trips to see business in action.

Money-making projects have included selling Christmas cards, candy, and cupcakes.

Filmbreakers

Filmbreakers is one of the service clubs in Wooster High School. The club is responsible for all projectors, films, and other audio-visual equipment used by the school. Members are frequently asked to operate projectors at night and on Saturdays. Boys find membership in Filmbreakers helpful because they see many educational films and because they learn to work with other people.

Membership in Filmbreakers is open to any high school boy.

Spanish Club

Los Socios Espanoles

The Spanish Club is an organization of students taking first or second year Spanish. It is a social and cultural club to associate students with the Spanish customs and people.

Programs usually feature a guest speaker from a foreign land, slides, or a movie. Special events during the year are the language club Christmas party with Spanish carols and the traditional pinata, a pizza party, and a trip to Cleveland to see an opera.

French Club

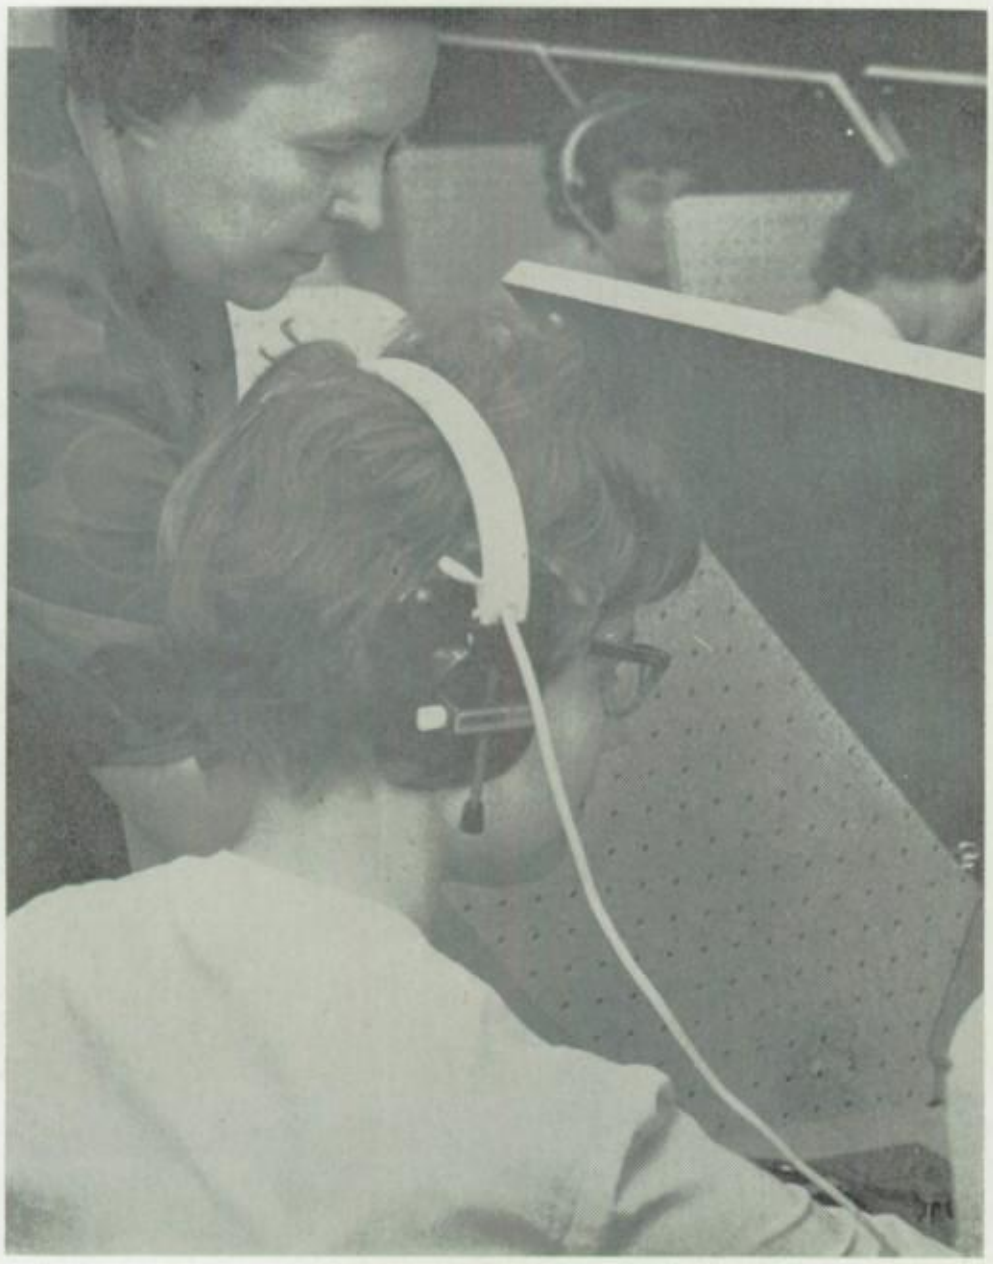
The French Club is an organization open to any Wooster High School student taking French I, II, or III.

This organization fulfills several purposes. Besides giving its members a more thorough knowledge of French life, culture, history, and literature, it supplements classroom work by conducting informal and entertaining meetings. These meetings provide the French student with the opportunity to hear and speak the language conversationally.

The purpose of its first meeting was to introduce the members to one another. At this get-acquainted meeting the students played French games and listened to recorded French folk songs.

At Christmas time the club held its annual Christmas party with the Spanish and German clubs.The entire group was honored with the presence of Pere Noel (Santa Claus). The French Club serenaded the group with French Christmas carols.

Various speakers and films added to the enjoyment of other meetings throughout the year.



Chris Ellsworth works with her tape recorder, while Mrs. Trump looks on.

German Club

A foreign language helps us to understand the culture and customs of other people. The German Club, "Deutsche Kameraden," was organized so that students studying the German language could come to understand the German people better. To increase this understanding, the German Club conducts informal meetings featuring slides, a guest speaker, or student participation in discussions or in singing German folk songs.

Special events during the year included a Christmas party with the French Club and the Spanish Club, a trip to the Cleveland opera, and a picnic at the end of the year.

Latin I

Any student taking first year Latin is invited to join Latin Club I.

The purpose of this club is to gain interesting and useful knowledge of the culture and life of the ancient Romans and to learn how we are affected by their influence in our lives today.

Programs through the year included slides of ancient Roman life, a Christmas Social, and various other activities. As a special outing, Latin Club I went with Latin Clubs II and III to see the motion picture *Spartacus*.

The club is affiliated with the Junior Classical League.

Latin Club II

The second year Latin club, *Societas Romana*, is open to all students who take second year Latin. The club is both social and cultural, attemping to acquaint its members with a knowledge of Roman life, literature, and history which they do not learn in the classroom. The influence of the Latin language on the twentieth century is of special interest to the club. Near the end of the year a Roman banquet is held at which time members of the club experience a small part of life as it was in ancient Rome.

NFL

Organized in 1930 at Wooster High School, the National Forensic League is the official organization sponsoring extra-curricular speech activity. Wooster is very proud of the many fine speech trophies and awards which she has received over the years.

When a student enters the National Forensic League, he must first have earned a Degree of Merit. He does this by going to several speech tournaments on Saturdays and earning twenty-five points. As the students moves up the ladder of success and earns seventy-five points, he earns his Degree of Honor. Climbing still farther, and earning one hundred fifty points, the member receives the Degree of Excellence. Many students progress further by entering not only in individual contests in the several fields: Dramatic interpretation, humorous declamation, oratorical declamation, original oratory or extempore—but also in debate. These students receive the Degree of Distinction when they have earned two hundred fifty points.

Apprentice Club

The Apprentice Club was formed to teach students to become actors. They serve one year as apprentices under qualified students and teachers who teach them the basic fundamentals of acting. After their year is up, they are qualified to go on to the Soc and Buskin Club.

The main aim for the Aprentice Club members is to learn the basic principles of acting and stage terms. At the end of the school year, these future dramatists help put on the spring play by serving under members of the Soc and Buskin Club.

Soc and Buskin

Soc and Buskin Club gets its name from ancient Greek symbols of drama. The soc, a type of moccasin, stands for comedy; the buskin, a high-heeled boot, signifies drama or tragedy.

This club is open to any high school member who has been in Apprentice Club. Actors are important, of course, but so are the people who work behind the scene. Most of the Soc and Buskin Club members find that they work on commititees backstage far more than they act. This is no hardship, however, for everyone knows that "the show must go on."

The shows performed this year were "Time Out for Ginger" and "Tammy, Tell Me True."

Girls' Glee

Again, as in years past, the Girls' Glee did an excellent job this year. The girls, dressed in black and white with red carnations, were charming to watch as they added to the Christmas Sing this year. The girls were more active than any other Girls' Glee up to this date.

They presented two radio shows, and they participated in the all high school vocal assembly. They received invitations from the Women's Guild and The Newcomers Club to perform at their special meetings.

Mixed Chorus

The mixed chorus numbered about sixty students this year. This young enthusiastic group of vocal students was outstanding throughout the year. The mixed chorus was an outstanding addition to the Christmas Sing.

Included in their programming were also two local radio programs, and participation in the all vocal assembly.

They also presented a vocal program for the Golden Age Club at the E & R Church.

⇦ Band

This year, again under the capable direction of Mr. Jack Emig, the Wooster High School Band had an outstanding season. Playing at all the home football games and many of the ones away from home, they made many striking and memorable appearances. Especially well-liked were the technically difficult drill shows which the band carried out with precision skill.

The Band then changed from a marching unit to a concert group.

Orchestra

The Wooster High School Orchestra began the season by playing an animated and inspiring Spring Concert. This fine musical organization was assisted by the junior high orchestra. Additional programs were Baccalaureate, and Commencement.

THE EXCITING WORLD OF SPORTS

With energy and persistence
We enjoy the World of Sports.
By participation in
Exciting meets, games, relays, and matches,
We grow physically as well as mentally.
Our minds become keen and alert.
As we learn the art
Of good sportsmanship,
We open our mouths and shout.
Through games and sports we
Reach a better world.

Varsity Football

The 1961 edition of the Wooster Generals started this year's season with only four lettermen returning, and a murderous schedule facing them. This schedule got the best of the Generals as they finished the season with a three wins, one tie, and six loss record.

The first four games played by the Generals were rough to start any season with. Shaker Heights handed the Generals a 44-14 defeat to start the season. Cleveland St. Joseph was next for a 28-14 General loss. North Canton came next expecting to run over the Generals, but managed only a 10-8 victory over a fighting band of Blue and Gold gridders. Berea then handed the Generals their fourth loss.

At the home-coming game, next on the schedule, Dover came from behind in the last quarter to tie the Generals 8-8.

Akron St. Vincent came next on the Generals' schedule; the Akron City Champs shut out the Generals 20-0 in a hard fought game for both teams.

Ashland came next and fell 30-16, for the Generals' first win of the season.

Mansfield Madison was the next invader of Maurer Field, and came out on top by a 12-8 count over the Generals.

Canton Lehman came next as the second win for the Generals, 16-8.

Orrville came last on the Generals' schedule this year, as last year, and again ended in a Wooster victory 12-6.

Varsity Basketball

The Varsity basketball team, under the expert leadership of Coach Dave Gallapoo, completed the 1961-62 season with an impressive fourteen wins and nine loss record.

The first game was a spoiler as the Generals lost to Massillon by two points, 47-45. The next three games were victories over Orrville, Akron Kenmore, and Shelby, in that order.

Next came a disasterous loss to Mansfield Madison, followed by two wins over Ashland and Coshocton. The Dover game came next as the Generals lost 75-66.

The next four games proved to be the most important games of the year. The first victory was over Wadsworth 69-45. Then followed the three games that assured the Generals of at least a tie in the Cardinal Conference as they defeated Mansfield Madison, Dover, and Ashland respectively.

The next three games were losses to Mansfield Senior, Canton Lincoln and Berea, in that order. North Canton was the next game and proved to be the final win of the regular scheduled season for the Generals. The last two games were losses to Canton Central Catholic and Coshocton Three Rivers.

The next four games were respective tournament wins for the Generals over Medina Highland, Cloverleaf, Waynedale, and Canton South. The last game of the season was a heart-breaking loss to Canton Lincoln, one of the "Fearson-Four" teams at the Columbus finals.

High point man for the Generals was Mac Petty, followed by Bill Eaves, Ted Flickinger and Owen Logee.

Reserve Football

The Reserve Football team, under the leadership of Coaches John McCreary and Ronald Calabria, worked hard and completed the season with a fine record of eight wins, one tie, and two losses.

Because of schedule uncertainty, the exact order in which the games were played is not available; however, the results are well known by the members of the team.

The Reserves won the eight games over Wadsworth, Orrville, New Philadelphia, Berea, Ashland, Coshocton, Mansfield Madison, and Mt. Vernon. The tie came with the Dover game as did the varsity's tie. The two losses came at the hands of Barberton and Mansfield Senior.

With such a record and improved experience, the varsity may win next year.

Reserve Basketball

The reserve basketball team, under the leadership of Coach Bill Hartnett, compiled a fine record of thirteen wins and five losses for the 1961-62 basketball season.

The first seven games were won by the reserves as they defeated Massillon, Orrville, Akron Kenmore, Shelby, Mansfield Madison, Ashland and Coshocton. They then fell to Dover 47-60; after which they defeated Wadsworth and Mansfield Madison before falling again to Dover 44-28. They then won the next two games over Ashland and Mansfield Senior High. Then they lost to Canton Lincoln, Berea, and North Canton on successive outings. The reserves defeated their next two opponents Canton Central Catholic and Coshocton Three Rivers to complete the season.

High point man for the reserves was Dave Parker with 126 points; followed by Ben Mitchell, Gary Miller, and Don Balloon with 118, 113, and 106 points respectively.

Wrestling Team

The Wooster Wrestlers, under the guidance of Coach Roman Majerczak ran up a record of nine wins and six losses.

The first three matches were victories for the grapplers as they downed Canton Central Catholic, Mansfield Madison and Canton Timken. Next came the North Canton Tournament, at which they placed fourth in a field of four teams.

Victories over Massillon and Mansfield Madison came next on the wrestler's schedule; but then came two defeats at the hands of Copley and Canton McKinley.

Next came a win, loss, win exchange with Ashland, Louisville, and Barberton respectively. The next two matches with Beaver Local and Steubenville were two losses for our wrestlers.

The final three matches again came out in a win, loss, win exchange with Cuyahoga Falls, Bowling Green, and Mansfield Senior respectively.

At Districts, the wrestlers, led by Paul Buchholz and Jim Beaver, placed fourth with 44 points right behind Cuyahoga Falls with 45 points.

Swimming Team

The Wooster High School swimming team, under the leadership of Coach John McCreary, worked hard to compile an even 6-6 win-loss record.

The first three meets followed the line of loss, win, loss with Dover, Ashland, and Massillon respectively. Next came the first Akron five way meet in which the swimmers placed first over the five competing teams.

The next five meets again alternated win, loss, win, loss, win for our tank men, as they swam against Ontario, Mansfield Senior, Ashland, Massillon, and Akron Kenmore in that order.

The last three meets came to two losses to Dover and Ontario, followed with a final win over Gilmore Military Academy.

Baseball

Under the leadership of Coaches Nick Dellerba and Bill Hartnett, the Wooster Generals Baseball team has compiled a six wins, seven losses record with half of the season completed.

The first game was a 6-2 victory over New Philadelphia, followed by a close 5-4 loss to Medina.

The next five games came as Wooster victories over Ashland 3-1, Massillon 2-1, two over Norwayne 15-5 and 7-2, and one over Cloverleaf 11-5.

However, the next six games for the Generals have been consecutive losses to Dover 5-2, New Philadelphia 5-0, Canton Timken 9-7, Mansfield Madison 4-2, and two to Canton McKinley 11-9 and 4-2.

The remaining schedule for the team is uncertain due to cancellations, but with good hitting and playing, their record will be greatly improved.

Track

During the "rebuilding season" thus far, the Wooster Track team, under the leadership of Coaches Gordon Downie and Al Keil, has compiled an undefeated mark, up through the end of April.

All meets for the Generals thus far have been victories over Norwayne, Dover, Cloverleaf, Coshocton, Mansfield Madison, Canton Lincoln, and Mt. Vernon. Although many of these meets have been close, the fine running of the Generals has been able to win them all.

The latest victory for the track team was the Wooster Night Relays. With records falling to Wooster teams in the pole vault and the eight lap relay, the Generals came out on top by three points 80-83 over Cardinal Conference foe Mansfield Madison.

The remaining meets for the Generals are against Ashland, Massillon, and Canton Central Catholic, with the Cardinal Conference Meet, the Wayne County Meet and the Reserve Relays included.

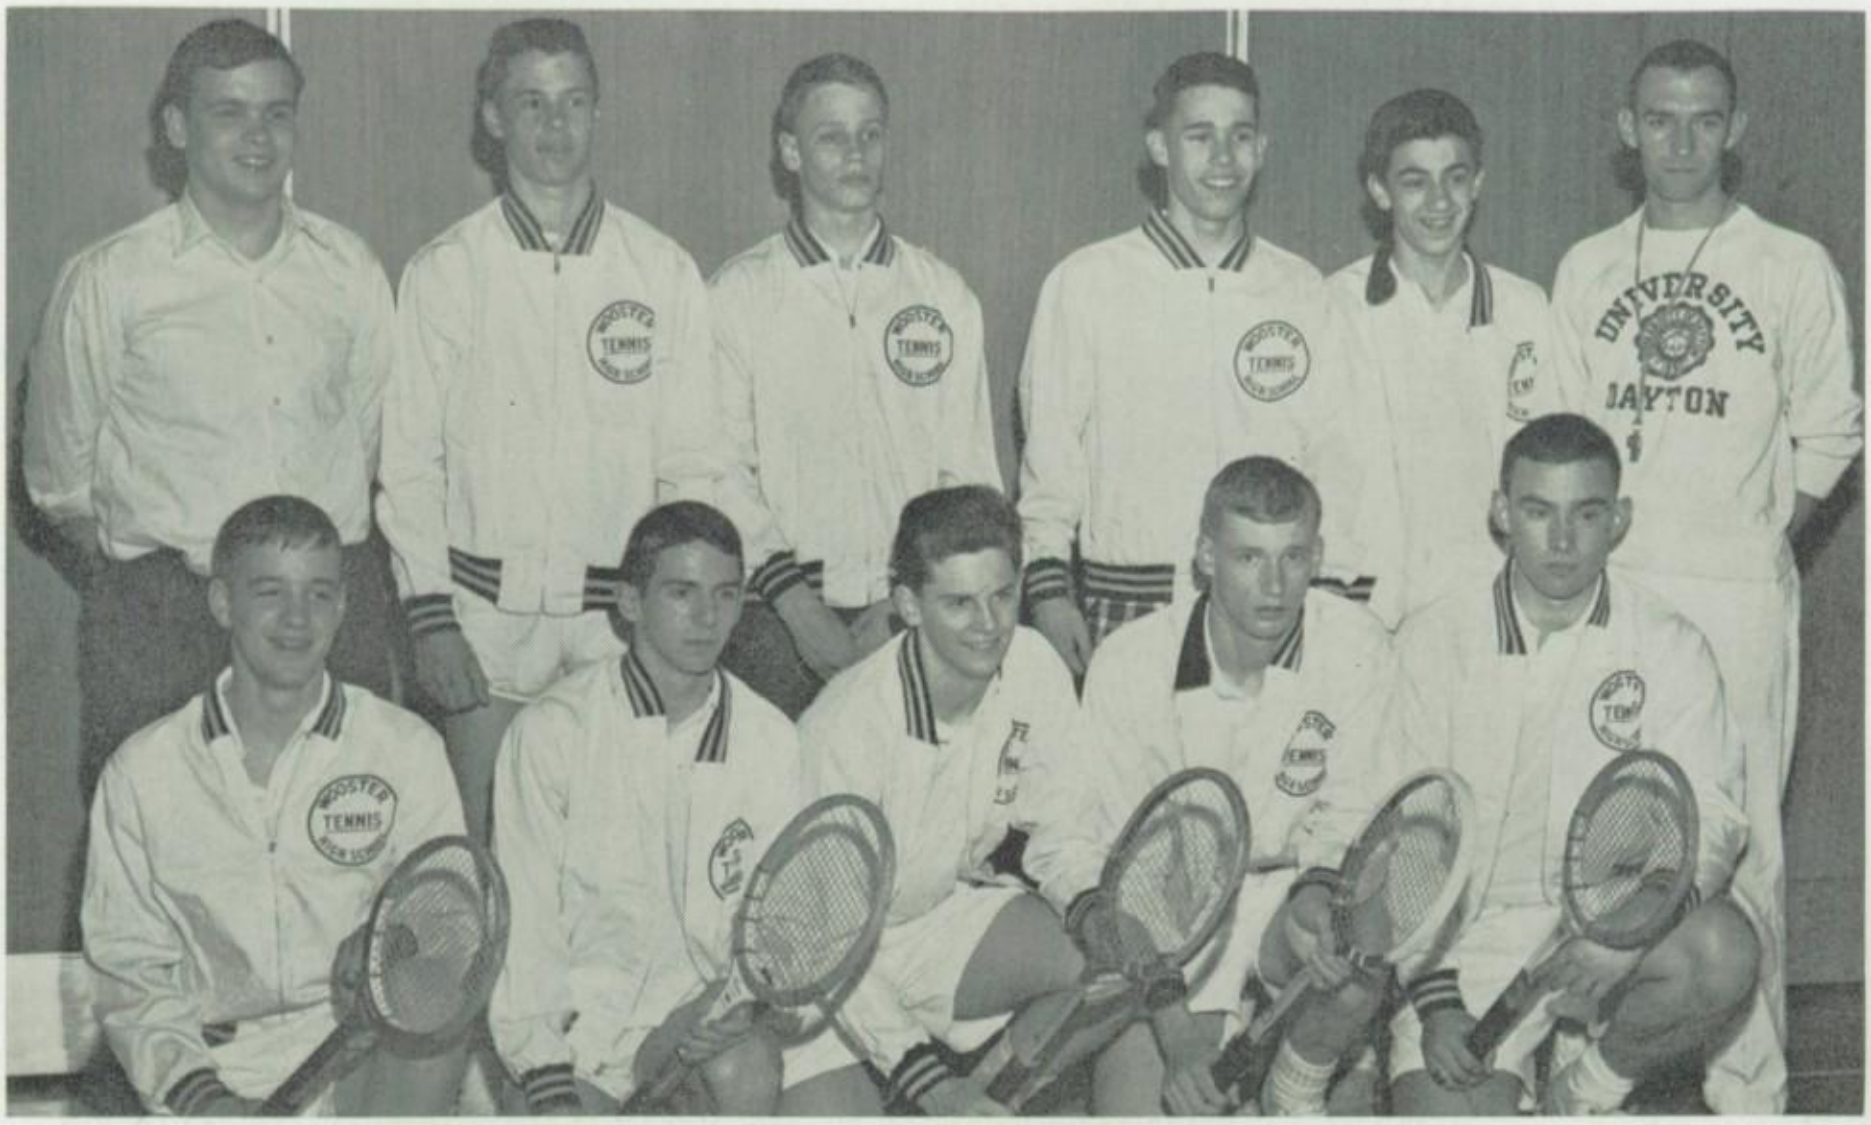
Reserve Track

The Reserve Track squad under the guidance of Coaches Gordon Downie and Al Keil has completed a fine seven wins and one loss record with three-fourths of the season completed.

The first meet was a triangular meet with Shreve and Tuslaw, in which the Reserves came out on top by a 67-45-36 count. Then came three consecutive single victories over Jeromesville, Coshocton, and Mansfield Madison, in that order.

The following meet with Northwestern came as the only Wooster defeat by a 64-54 score. Next came another triangular meet with Mt. Vernon and Hayesville in which the Reserves won by a narrow three points over Hayesville 61-58, with Mt. Vernon collecting 29 points.

The remaining meets for the Reserves are with Ashland, Millersburg and Canton Central Catholic.



Row 1 Fred Clouser, Kurt Dew, Dee Griffith, Ed Guthrie, John Moore
Row 2 Louie Braden, Mgr., Tim Gompf, Dave Baab, Rich Moore, Ken Morrison, Coach Huntsberger

Tennis

The Wooster High Tennis team, under the leadership of Coach Jerald Huntsberger has been able to win but one match and one important tournament with one third of their schedule completed.

The first three matches with Mansfield Senior, Mansfield Madison, and Akron Buchtel have been three consecutive losses — 7-0, 4-3, and 4-2 in that order. Only the last match with Ashland has been a Wooster victory by a 5-2 score.

The one other match won by the tennis team was the important Cardinal Conference Tournament. In this match, the tennis team came out on top by a narrow one point — 15-14 — over Bellevue, with Mansfield Madison, Ashland, Shelby, and Gallion the other participating teams.

The remaining teams to be played by the Generals' Tennis Team are Mansfield Madison, Ashland, Mansfield St. Peters, two times, Akron Buchtel, Mansfield Senior, and Massillon. With continued fine effort and playing, the tennis record will be much better.

Row 1 Benny Noletti, Tom Moore, Bob Westfall, Win Logan, Jim Ross, Don Baney, Tom Seib, Jim Halloran
Row 2 Mike Braunstein, Max Ricker, Brad Franks, Dave Anderson, Dean Jollay, Fred Mathis, Jack Schubert

Golf

With the season half over, the Wooster High Golf Team, under the veteran guidance of Coach Kenneth Zuercher, has compiled a fine four wins, one tie, and one loss record.

The first two matches were with North Canton and Jackson Memorial respectively, and were turned into two wins by fine playing.

The next two matches were combined into a triangular match between Massillon, and Canton Central Catholic. At this match, Wooster was tied by Massillon 4-4, but lost to Canton Central Catholic 5-2, for their only loss thus far.

The next two matches came with Barberton and Ashland, and they were won by Wooster with duplicate scores of 6-2.

The remaining portion of the golf schedule is hard, with matches against Orrville, Norton, Ashland, Mansfield Madison, Massillon, and Orrville again. With continued good playing, the golf record will be very good.

Freshman Football

The freshman football team under the veteran leadership of Coach Kenneth Zuercher and his assistants, Mr. Whisman, Mr. Keil, and Mr. Watson, was unable this year to compile a winning season, losing six and winning but one.

They lost the first three games as they were defeated by Massillon 22-6, Dover 32-0, and Orrville 20-0.

The final three with Mt. Vernon, Mansfield Madison and, Waynedale Reserves proved to be the final three losses of the season for the freshmen as they fell to the three opponents 14-0, 16-8, and 28-14, respectively.

Row 1 Randy Hoffman, Stan Miller, Fred Clouser, Tim Dunham, Rob Rose, Jim Ross
Row 2 Coach Huntsberger, Jim Morrison, Win Logan, Bill Spratley, Bruce Colby, Tom Hubler, Steve Patterson, Mike Ridgeway, Mgr.

Freshman Basketball

Under the guidance of Coach Jerald Huntsberger, the 1961-62 Freshman Basketball team had a tough schedule with a four win, ten loss record.

The first three games brought about half the victories of the season for the freshmen, as they defeated Massillon Longfellow and Mt. Vernon, then lost to Mansfield Madison.

The next three games were three losses to Ashland, New Philadelphia and Coshocton; followed by wins over Orrville, and Mt. Vernon and a loss to Ashland.

The last four games of the regularly scheduled season were four consecutive losses to Mansfeld Madison, New Philadelphia, Orrville and Coshocton.

The final game of the season for the freshmen was an overtime defeat at the hands of Cuyahoga Falls in the Barberton Tournament.

"W" Boys

The purpose of the "W" Boys Club is to promote all intramural and interscholastic sports. The club is to unite the letter winners of our school sports so that they may receive due recognition of the job and performance they have done for their school.

With the idea of promoting good conduct and good sportmanship, this year's "W" Boys have done much for Wooster High School. During the winter "W" Boys kept order in the new gym, helped referee intramural wrestling matches and basketball games, and served as ushers at varsity basketball games. This year the boys sponsored the needy families at Christmas time with food and clothing to promote good will in our high school and the city.

"W" Girls

"W" Girls is an honorary club composed of girls from the Girls' Atheltic Association. To be eligible for "W" Girls, a girl must have made at least 1500 points in G.A.A. The annual initiation for prospective members is held in the spring. After this initiation, a "W" is awarded to each girl at a banquet. "W" Girls' activities include taking part in the Homecoming activities, selling General sweatshirts, and ushering for football games. The biggest activity for this group is the annual initiation, banquet, and "W" Girls' dance.

Julie Daugherty led the winners with 9 points, and Judy Hostetler did the honors for Harvard with 6.

THESPIAN SOCIETY

(continued from page 98)

"Act well your part; there all the honor lies." The motto of Thespian Society well symbolizes the spirit of this national organization. Membership is open to any member of Soc and Buskin who earns ten points by doing outstanding work in dramatic arts. The formal banquet in the spring is the only annual meeting. At this time senior members are recognized for their individual services and new members are inducted.

The 1962 *Imperator* staff has endeavored to recapture for you — the students of Wooster High School — the kaleidoscopic worlds which go to makeup high school days.

Each year we climb, step by step, up the mountain of knowledge which leads to the peak — graduation.

As freshmen we take our first step into the challenging world of high school. In this world we enjoy the thrill of taking part in club activities and sports of our choice. For the first time the tools of knowledge are placed before us to do with as we please. There are decisions and challenges confronting us, but these obstacles aid us in our growth as individuals.

Climbing on up the mountain, we enter the world of sophomores. Fun and studies permeate our life at this level. As the studying becomes harder, the sophomores are given harder tasks, which are invaluable experiences in our quest for knowledge.

Life in the world of juniors is a rushing river of work and responsibility. The juniors are united behind one goal — the complete organization of a prom. Again, this is an obstacle which we, as juniors, confront on our upward climb. Although the junior world is a world of work, as in all jobs there is a great deal of fun and laughter which sheds a shining light on the most arduous task.

Finally high school days come to a close as we enter the world of seniors. No longer are we considered just teen-agers, but now we are young men and women ready to take our place in the world of society. As seniors we look back over four years of diligent work and enjoyable fun which have helped to mold us into individuals.

Graduation is the final picture in the kaleidoscopic world of high school, but beyond are new challenges and new peaks to climb. The world continues to turn as we enter a future full of opportunities and tasks which are there for the taking.
